So make this holiday season your best one yet! And earn double rewards while you do.

### \*Required Disclosure

Offer valid between November 1, 2017, and December 31, 2017.

**2x Rewards.** You'll earn 2 CURewards points for each \$1 spent at eligible merchant categories. For a complete list, please see the attached merchant category list.

**How you earn points.** You'll earn CURewards points when you, or an authorized user, use a Hawaii Law Enforcement FCU Platinum Rewards or Platinum Legacy Mastercard to make purchases of products and services, minus returns or refunds. In most cases, buying products and services with your card will count as a purchase; however, the following types of transactions will not count and will not earn points: balance transfers, cash advances, travelers checks, foreign currency, money orders, wire transfers or similar cash-like transactions, lottery tickets, casino gaming chips, race track wagers or similar betting transactions, any checks that access your account, interest, unauthorized or fraudulent charges, and fees of any kind.

**Rewards Categories.** Merchants that accept Visa/Mastercard credit cards are assigned a merchant code, which is determined by the merchant or its processor in accordance with Visa/Mastercard procedures based on the kinds of products and services they primarily sell. Similar merchant codes are grouped into categories for the purposes of making rewards offers to you. Every effort is made to include all relevant merchant does in our rewards categories. However, merchants may sometimes appear to be part of, or may sell items that appear to fit within a rewards category, but the merchant may not have a merchant code in that category. Purchases submitted by you, an authorized users, or the merchant through third-party payment accounts, mobile or wireless card readers, online or mobile digital wallets, or similar technology will not qualify in a rewards category if the technology is not set up to process the purchase in that merchant category.
